Q. The pie chart below shows favorite sport of 195 students. Answer the questions using it.

1. $60 + 30 + 50 + 15 + 15 + \text{hockey} = 195$

$\text{hockey} = 195 - 170 = 25$ students

2. $\text{Badminton} + \text{Cricket} = 30 + 50 = 80$

3. $15 / 195 \times 100 = 7.69 \%$

4. Football

5. Table tennis = 15

Cycling = 15

Therefore cycling is the answer.
